PHILOSOPHY/PURPOSE

The purpose of the cheerleaders is to support the curricular and extracurricular activities of River City High School (RCHS) by promoting school spirit. Being a cheerleader is an honor and special privilege. Cheerleaders exist to promote good sportsmanship, good citizenship, and wholesome and enthusiastic school spirit. Cheerleaders are first and foremost representatives of their school. Cheerleaders should exemplify both individual and group behavior suitable to their position and in accordance with the rules as stated in the RCHS Student Code of Conduct. Members of these groups have a fundamental responsibility to play a leadership role in building teamwork and helping the school achieve its goals and objectives. Because of these responsibilities, members of the cheerleading squad will be expected to maintain a higher standard of behavior both on and off campus and academic achievement than that of their peers.

OBJECTIVES

Cheerleaders are expected to be skilled in learning and remembering cheers/dances. They are also expected to be able to publicly demonstrate a skill level suitable for the team position and timing necessary for group performance. Off the field, they are to enthusiastically support all school sponsored activities/programs.

ELIGIBILITY AT TRYOUTS

Candidates must be a student at River City High School, expected to be enrolled as a new student at RCHS or a student of the Independent Study Program of the Washington Unified School District, for the 2010-2011 school year, in order to participate in the tryouts.

SELECTION

RCHS will hold tryouts for the selection of two (2) cheerleading squads (Varsity and Junior Varsity). The tryouts will be held in May, as determined by the coaching staff. A clinic of a minimum of two days will be held prior to tryouts. The coaching staff will be responsible for facilitating the tryouts. Parents and non-participating individuals will not be allowed in the building during any phase of the tryouts. Anyone in violation of this could cause the individual, with whom they are associated with, become ineligible to tryout.

TRYOUT GUIDELINES

Coaches will be responsible for the preparation and distribution of a packet of information to be made available to all
candidates. This information will include specific clinic and tryout dates, times, and procedures. Candidates and parents must sign a form stating that they understand and will comply with all information in the packet, including but not limited to responsibilities, rules and consequences, before the student is allowed to participate in the tryout process.

**SQUAD MAKEUP**

The Varsity Squad will consist of incoming juniors and seniors which will be allowed to tryout for the Varsity Squad. The coaching staff reserves the right to move a member from the Junior Varsity squad to the Varsity Squad if the need arises.

The Junior Varsity squad will consist of incoming freshman and sophomore students which will be allowed to tryout for the Junior Varsity Squad.

Judges who have coached the cheerleader candidates during the current school year shall not judge during the day of tryouts. Every attempt will be made to obtain judges who have not worked with students previously. However, it may be possible at some time that a member of the judging panel may have had some contact with a candidate who is trying out. Judges will be instructed to judge the candidates based only on the mastery of skills that they see demonstrated during the tryouts. Tryouts results will not be challenged because of prior knowledge of judges and candidates. RCHS coaches shall only serve as judges during clinic, not at the actual tryout. Due to time constraints, RCHS coaching staff will prejudge both stunts and tumbling during the week of clinic.

**TRYOUTS**

Panel tryouts will be closed to everyone except judges, coaching staff, and senior cheerleaders. No other persons will be allowed in the tryout area. There will be no other students or parents in the tryout area, nor will they be involved in the collection or tabulation of scores.

- **POSITIVE** attitude is everything. Encourage team members and others around you! Disrespect to a teammate, coach or parent
will not be allowed. Team members must display a positive attitude at all times. Negative responses, lack of productivity, and disrespect will NOT be tolerated and will be considered grounds for immediate suspension and/or removal from the team. The manner in which the participants conduct themselves, in or out of uniform, directly reflects our entire team.

A team member must, at all times, be a strong representative of RCHS and a positive reflection of his/her teammates. Abusive, uncontrollable, irresponsible, or any other form of negative behavior IN or OUT of uniform will NOT be tolerated. Moral standards are of the utmost importance to this organization and will be regarded as a high priority of all its members.

As a parent, talking amongst yourselves or sideline coaching creates the wrong information and atmosphere. It spreads bad morale.... Please do NOT do this.

If a parent or anyone is observed speaking negatively about a team, coach, parent, or cheerleader, he/she will be talked to and/or asked to leave. If a parent verbally assaults or threatens a student, coach or other parent, the parent won’t be allowed to come into the function. If this behavior persists, then that parent will be referred to administration for further action.

We understand that we have students that maybe involved in relationships. However, we do not promote this. This is not how we want our Program to be reflected. If a student is involved in a relationship, we require that there be NO public display of affection in practice, games or any function of RCHS. On the same note, we STRONGLY discourage relationships with team members – it creates tension and drama within the team.

Member shall not engage in overt public displays of affection. If member is caught engage in overt public displays of affection, the member will be disciplined or removed at the coaches discretion.

RCHS will be training in cheerleading stunts, jumps, technique, expression, dance. The training is very disciplined, intense, highly productive and greatly enhances the skills of the individual and the team. Included in this training, comes a set of key values that must be followed in order to maintain control of this process: attendance, attitude, practice and conduct. Please understand that athletes may be repositioned, moved or replaced at any time at the discretion of the coaches. Any changes are made to benefit the team as a whole.

Please remember and be clear on this point: Your payments pay for uniform and other attire and training only. It does not pay for the right for your child to perform. The child earns that right through his/her responsibility and preparedness as a team member. Should a team member fall short in his/her preparations, that team member will be replaced, suspended, or dismissed from the team.

Must follow all rules set forth in this agreement. Dismissal from the squad is at the discretion of the coaching staff, in conjunction with the Athletic Director.

Cheerleading responsibilities officially begin on the day election results are announced and end on the last day of the following school year.

ATTENDANCE AT GAMES, PERFORMANCES, AND PRACTICES

Attendance is crucial to team success, members are required to be at every practice and on time. One person being absent affects the entire team. It is important not to inconvenience the practice time of the entire squad by being absent or late. Excessive absences will not be tolerated.

Members, who miss a practice for any reason, will be responsible to obtain the material covered at the missed practice on their own time and not during practice time.
If a selected member has a job, this should not interfere with practices, games or performances, without prior clearance by the coaching staff. Should work be a continuing issue, the member may be removed from the squad.

All absences during a game week (football and basketball) must be cleared with the coaching staff.

If member misses the practice before said game/performance, the member will be removed from the pre-game/half-time routines.

No member will leave while at any game/performance without the permission of the coaching staff.

Rally performances are a combination of both the JV and Varsity members and are mandatory.

**ABSENCES/TARDIES**

Each member will be allowed five (5) excused absences, per season, to be used for any reason (including vacation, medical and/or illnesses). These absences must be approved by the coaching staff.

If any member is to go on a vacation, we require a written notice ATLEAST three (3) weeks prior to the vacation date.

Excused absences beyond the five (5) allowed, per season, will be considered unexcused. Long-term medical issues will be the only exception to this rule (i.e. under doctor’s orders).

- At least one coach will be present at all fundraisers.

- 15% of the proceeds earned from each fundraiser will go directly to the cheerleading general fund. This money will be used to purchase equipment and supplies as seen fit by the coaching staff and as approved by the Associated Student Body (ASB).

- The coaching staff will work with the Athletic Director on any issue(s) of concern.

**EXPECTATIONS**

- Each member is responsible for motivation of the entire squad all year.

- Everyone must have self-motivation and self discipline throughout the entire year.

- There must be successful communication between squads, squad members, and the
coaching staff in order to have harmony and success as cheerleaders.

- Members are carefully selected and are considered an elite group of students; therefore, they should take pride in their attitudes, actions, dress, and citizenship; learn from and respect each other.

- Work as a team, not as individuals: When something goes right, you did it together, when something goes wrong, you did it together. Do not blame each other for mistakes – mistakes happen. Playing the blame game doesn’t help anybody. Also, don’t beat yourself up over a mistake you may have made. It’s over…move on, fix it next time.

- The only subject talked about during practice is cheerleading.

- No one stops working at practice. If you are not currently in the stunt being practiced, you should be spotting, stretching, or practicing other elements as directed by the coaching staff.

- Work hard. Each member has earned a place on their respective squad because they meet certain ability requirements. When asked to practice an element, practice and perform it to the best of your ability.

CAMP

- All members must attend summer camp.

- The amount of money for the camp is the responsibility of the individual member.

- Members may not leave camp early or arrive late without approval by the coaching staff. Certain extenuating circumstances may occur like a death in the family or injury.

- The coaching staff will choose the place and date of the camp.

- Members must abide by all rules provided by organization providing camp and host school.

SAFETY GUIDELINES

- NEVER stunt or tumble unless a coach is present.

- Always practice in the presence of a coach unless otherwise directed by the coach.

- Always complete the required warm-up as appropriate prior to cheering, stunting, dancing, or tumbling.

- If possible, all practice sessions should be held in a location suitable for the activities of cheerleading (i.e. use of tumbling mats where warranted, away from excessive noise and distraction, areas free from obstruction, etc.)

- Members should not attempt stunts they do not know how to perform safely.

- Spotters should always be used while stunting (if available). Training in proper spotting techniques is mandatory.

- Members should only stunt on grass or mats, never on uneven ground.

- Members should not talk, laugh or mess around while stunting.

- Members should receive proper training before attempting any form of cheerleading gymnastics.

DEMERIT GUIDELINES

If a member earns 5 points, he/she will be benched for the next game. In a case of benching, the member will be required to attend all practices, but will not be allowed to attend the specific game that they are being benched (even as a spectator).

If a member earns 10 points, he/she will be suspended for a two week period. During this time, the member will not be allowed to attend practices or games, even as a spectator.

If a member earns 15 points, he/she will be removed from the squad. The member will subsequently be ineligible to tryout for membership the following year.

Any coach and/or Athletic Director review of members actions may result in removal from squad.

Members can NOT be allowed to earn merits. Members need to accept the consequences of their violations.

Guidelines are general rules and guidelines for all RCHS cheerleaders. Failure to comply may at times require judgment calls to be made. These decisions will be left up to the coaching staff. Coaching staff reserve the right to upgrade a penalty (immediate benching, etc) depending on the severity of the situation.

Seasons are

- Summer: first day of practice to the first day of school
- Football: first day of school to December 1
- Basketball: December 1 until February 28
- Spring: March 1 until the last day of school

The coach(s) have reserved the right to augment these guidelines as deemed necessary and these rules are subject to change. Please remember, the coaching staff’s job is to ensure that the best interest of the whole squad must be the first priority. If you or your parents disagree with any issue, you are encouraged to discuss the issue with the coach(s) directly. The lines of communication are always open, we encourage you to schedule a meeting to voice your concern. However, the key thing to remember is that the coach(s) of RCHS make the decisions for benefit of everyone on the teams, decisions are not based on individual members desires or wants.

THESE RULES WILL BE STRICTLY FOLLOWED AND ENFORCED. REMEMBER, YOU ARE REPRESENTING RIVER CITY HIGH SCHOOL, THE WASHINGTON UNIFIED SCHOOL DISTRICT AND THE CITY OF WEST SACRAMENTO. AS A CHEERLEADER OF RIVER CITY, YOU SHOULD ALWAYS ACT IN A MANNER, WHICH BEST REPRESENTS, THE STUDENT BODY OF RIVER CITY HIGH SCHOOL!!!!
